**To Ramona Covrig
Romanian Federation of Psychotherapy**

European Association of Psychotherapy, represented by the undersigned as president, congratulates and supports Romanian Federation of Psychotherapy in the efforts of creating a common platform for the profession of psychotherapist, as it was recommended in the EU directive 2005/36.

Beginning with 1993, when Romanian Federation of Psychotherapy joined the European movement for quality standards in psychotherapy training, practice and research, by signing the Strasbourg declaration, the Romanian Federation of Psychotherapy proved commitment and capability to create the legal frame for the profession of psychotherapist.

European Association of Psychotherapy recommends to all the decision making institutions and persons to support and promote psychotherapy in Romania.
